PARKING

There is a parking area for guests in the beginning of the event arial, right before the small garden. You can also park along the village street and in front of the entrance.

CLEANLINESS

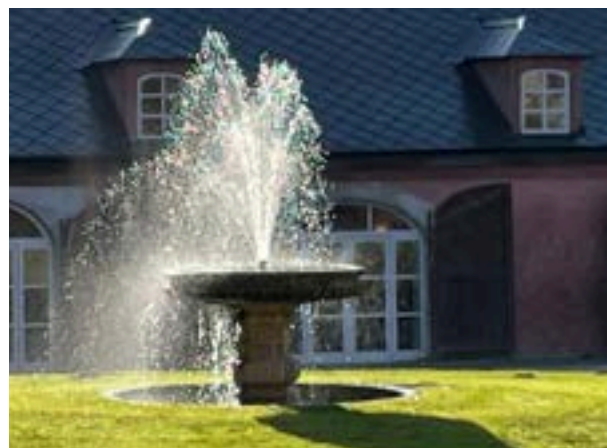

We ask you to keep the garden clean at all times. Fireworks and confetti, which are artificial and cannot be disposed of by you, are prohibited..

PETS

A dog, a cat and several chickens live in the castle grounds. We therefore ask you to announce the visit of your own or your guests' dogs in order to avoid any incidents.
